Each community member is limited to 3 minutes of comment, with a total time allotted to public comment of up to 30 minutes. During remote meetings, attendees may add their public comments to the chat feature which will be sent directly to the Board of Directors. Board members will then share the comments with the meeting attendees for up to 10 minutes.

Public comment is also a time for the Board of Directors to listen to the feedback of the community. Board members can not respond to public comments during the meeting.
