3. Public Comment

Public comment is a time for the community to provide feedback to the Board of Directors. For in-person meetings attendees must sign up at the start of the meeting in order to give public comment. Each community member is limited to 3 minutes of comment, with a total time allotted to public comment of up to 30 minutes. During remote meetings, attendees may add their public comments to the chat feature which will be sent directly to the Board of Directors. Board members will then share the comments with the meeting attendees for up to 10 minutes.

Public comment is also a time for the Board of Directors to listen to the feedback of the community. Board members can not respond to public comments during the meeting. However, the Board recognizes that each stakeholder is a vital part of our community and will take comments into consideration when making decisions, planning, providing feedback to administration, and completing committee work.
